Designed and built in the USA.

The NEW Beautyrest® Elite™

Support

NEW 900 Density Smart Response™ Pocketed Coil® Technology

enhances motion separation, conformability, individualized back support and pressure relief.

Total Surround BeautyEdge® Foam Encasement with QuantumLock™

adds foam rail integrity and sleeping comfort right to the edge.

Triton® Foundation with PowerBeam® Bracing

increases foundation strength and durability.

Energy Foam™

part of Simmons' patented no-flip construction, adds greater stability.

Comfort

BeautyStyle™

luxury fabrics and aesthetics offer a more pleasing and sophisticated look.

Evenloft® Surface

a smooth stretch knit cover without quilting or tufting, lightly stretches to form to your body. (select models)

Transflexion® Comfort Technology

ensures comfort throughout the life of the mattress.

Premium Foams

including memory foam and latex, enhance comfort and support. (select models)

CertiPUR-US® Certified Foams

Simmons is the first major manufacturer to use all CertiPUR-US® certified polyurethane foams in their products.

Performance

The higher the index level is, the less motion you will feel, and the greater the conforming back support and pressure relief you will experience. Look for the level number to determine the index for each Simmons® Beautyrest® mattress.
